

AUDITION GUIDELINES

Project: *The Twilight Saga: Eclipse*

Role: Seth Clearwater, Leah Clearwater

Directions:

If you are going to submit your client or yourself, the casting office would like you to tape the audition using the sides included here. Digitize the video using ActorCast video settings, upload it to ActorCast and include that audition along with the normal ActorCast package when submitting.

Taping Tips:

- Make sure that you have a well lit room.
- Have the actor stand in front of a blank white, blue or grey painted wall.
- Have someone other than the actor reading the supporting lines off camera.
- Record a test sample first and see how it looks and sounds on the computer first to make final adjustments before taping the scenes.
- When you are ready to record the scene, make sure the actor adds a verbal "slate" first by saying their name, the city they are from and role they are reading for.
- Make sure the actor looks at the reader during the scene and not directly at the camera.
- Record the scenes 2 or 3 times, pausing between takes so that you can pick the best one once you've had a chance to review them.

As always, if you have questions or problems, please contact ActorCast support at support@actorcast.com. We'll be glad to help!

SETH Audition

FOREST CLEARING

Seth relays news of Bella to Sam and the pack.

SETH

Charlie called around till he found Billy at my house... So, he's flipped out. Guess Edward and Bella got home last week, and... Yeah, bro, and here's the bad news. Charlie talked to Bella, said she sounded bad. She told him she's sick. Carlisle got on and told Charlie that Bella picked up some rare disease in South America. Said she's quarantined. Charlie's going crazy, 'cause even he's not allowed to see her. He says he doesn't care if he gets sick, but Carlisle wouldn't bend. No visitors. Told Charlie it was pretty serious, but that he's doing the best he can. Charlie's been stewing about it for days, but he only called Billy now. He said she sounded worse today.

JACOB rushes in, having heard Seth's account.

JACOB

Well, what are we waiting for...
(No one says anything for
a beat.)
Oh, come on! The treaty's broken!

SETH

We have no proof! Maybe she is sick...

JACOB

Oh, please!

SETH

Jake, they aren't our enemies.

JACOB

Shut up, kid! Just 'cause you've got some kind of sick hero worship thing going on with that blood sucker, it doesn't change the law.

SETH

Jake...

JACOB

They are our enemies. They are in our territory. We take them out.

SETH

Jake, listen for a second...

JACOB

No Seth. I don't care if you had fun fighting alongside Edward Cullen, once upon a time.

SETH

So what are you going to do when Bella fights with them, Jacob?

JACOB

She's not Bella anymore.

SETH

You gonna be the one to take her down?

(Jacob winces and Seth knows he's hit a nerve)

No, you're not. So, what? You gonna make one of us do it? And then hold a grudge against whoever it was forever?

JACOB

I wouldn't....

SETH

Sure you won't.

(Stares at his friend, tensing for the fight he doesn't want to have)

You're not ready for this fight, Jacob.
